

IQ Kita in RLP

Do you have a degree in education,
social work, teaching or
a similar field from abroad?

Would you like to work in a daycare centre
in Rhineland-Palatinate and further
your education or qualifications?

The „IQ Kita in RLP“ project is coordinated by:

Our project, „IQ Kita in RLP“, is part of the Regional Integration Network IQ in RLP. It provides information, support and qualifications in the area of professional recognition as a pedagogical specialist.

To this end, we regularly offer information events, personal consultations, support in the recognition process as well as qualification measures.

Our offer is neutral – confidential – free of charge. Since the project is aimed at anyone in Rhineland-Palatinate who is interested, you can participate in person and/or virtually.
